

Project Proposal: **AIR Trips and Tours**

Background

The **purpose of travel** is connected with building social relationships, opportunities to learn and grow, and commitment. It gives us the chance to be truly engaged in an activity, to develop new skills and to discover new cultures. It brings us closer to ourselves and others.

Scope: Our project is based on tours and travels to provide each and every person a good and excellent service across Pakistan with reasonable prices.

Objectives

- Monthly Tours across Pakistan
- Online Booking and Reservations of Tickets and Hotels
- Provide the tourist market with the quality personal required by the tourism industry.
- Provide a high standard of services suitable for individuals seeking relaxing, comfortable and memorable experiences in the hospitality and tourism industry
